

# New Product Information

## CompS Upper-less for Toyota GRX120, GRX130 MarkX /GRS200

- This is the adjustable coil over kit which is recommended for starting to fit coilover as it offers nice drivability and low-down style. Setting spring rate relatively lower to offer soft ride-feel. So it's good for beginner to use coil over with starting it smoothly.

### <<Character of the suspension kit>>

- It applies standard upper mount spec. Good tranquillity.
- Height adjustable area is worked special coating for anti-rusting.
- This product is rebuildable
