NEW PRODUCT INFORMATION

TOYOTA GR YARIS SHIFTER LINKAGE BUSHING KIT NEW RELEASE

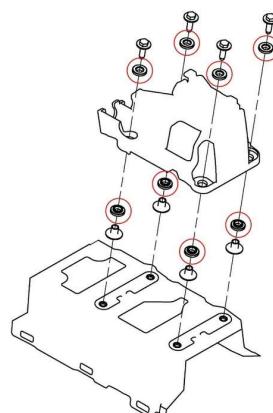

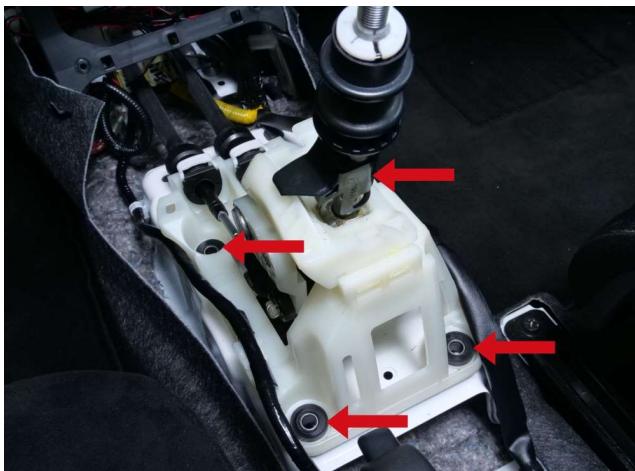

«Applicable Vehicle»
GR Yaris GXPA16

CUSCO Shifter Linkage Bushing Kit

Replacing the genuine rubber bushes of the shifter level mounting with our hard urethane bushes will improve gear shifting feel as it suppresses excess movements. In addition, it helps with quick shifts during driving and reduces shifting mistakes.

Product Name	Product Number	Price (Incl. Tax)	JAN Code	Release Date
Shifter Linkage Bushing Kit (Urethane)	1C7-940-A	¥8,500 (¥9,350)	4996338025456	NOW ON SALE
